

JACKMAN ROAD ELEMENTARY SCHOOL

Arrival and Dismissal Traffic Flow

The safety of our students is our priority! Please help us keep them safe by following these instructions for morning drop offs and afternoon pick ups. Please enter using the north drive, use two lanes around the perimeter of the north parking lot, merging down to one lane of traffic before you travel around the back of the school. Please stop outside the cafeteria to drop off/pick up your student(s). You may then continue around the building and exit out of the south drive. The area directly in front of the school is reserved for bus use only; please do not drop children off in front off the school. Thank you for your cooperation and patience!
